

Dear Commissioner Henney,

I urge you to keep genetically engineered food out of the food supply until:

- Independent safety testing demonstrates genetically engineered crops have no harmful effect on human health or the environment.
- Genetically engineered crops are labeled to ensure the consumer's right to know.
- The corporations that manufacture these crops are held liable for any harm.

Name Neil H Bernstein 476 01 JAN 30 P1 31 e-mail Michael.Richy1@jchou
Address 311 West 97th St #2E NYC, NY 10025
